A guide for your stay with us

WELCOME!

Hello!

We are Walt and Kristina Sturek. It seems like a lifetime ago when we bought this small mountain and made the decision to build. It is our dream to one day (not too many years away) live in Lewisburg permanently, take care of our Airbnb guests, garden and just slow down and enjoy life.

Now let's get to the good part...

You are staying on Cookie Top Mountain. Cookie is our English Springer Spaniel. Yes, we named our mountain after our dog! (Not sure our children will ever forgive us). Cookie joined our family in 2019, and quickly became the "favorite child" and love of our lives. We wanted to create a place where not only families, but also their fur babies could enjoy. A place where nature could take hold and you can unplug for a few short days or even longer! We hope you enjoy your stay here as much as we do. If you need anything, please let us know. At the end of your stay, we welcome your feedback so that we can continue to make Cookie Top Mountain a better more enjoyable place for our guests.

Thank you and we hope you come again!
